Akinjare Toluwase Matthew

FRONTEND DEVELOPER

I am a highly skilled Frontend developer with a strong passion for creating exceptional user experiences. With a meticulous approach to coding and a deep understanding of web development technologies. I have a proven track record of successfully translating design mockups into interactive and responsive web applications. I am also a proactive problem solver who thrives in collaborative environments and possesses excellent communication skills.

Experience

JUNE 2022 - DEC. 2022
Company Name | SEAMFIX LTD
FRONTEND DEVELOPER

- Collaborated with the design team to transform wireframes and mockups into interactive, pixel-perfect web applications.
- Developed responsive web pages using HTML5, CSS3, and JavaScript frameworks (React.js).
- Conducted thorough testing and debugging to ensure high-quality, bug-free code.
- Worked closely with backend developers to integrate frontend components with server-side logic.
- Engaged in various soft skill sessions and their importance in a corporate setup
- Involved in several educational classes and time management sessions.

SKILLS

- Web Design and development
- Front End Coding
- Problem-Solving
- Computer Literacy
- Excellent Communication skill

OTHERS

- A reasonable understanding of backend
- An understanding of UI/UX tools like figma, framer motion
